## From the President:

I hope everyone is staying cool in the late summer weather. Thank you to Sylvia and John Detweiler for hosting another successful July BBQ.

Be sure to RSVP for the September program on September 21. OSU Track and Field coach Kelly Sullivan will be speaking.

Please consider hosting for 2016 and 2017 as we need hosts for future MOCC dinners.

Respectfully submitted,

# AUGUST

Organized around the idea of an intentional community or neighborhood, this new veterans' home offers residents a way to maximize normal living environments and routines, provides autonomy, a sense of community, and quality of life. The campus consists of four neighborhoods, up to three houses per neighborhood, and each house accommodates up to 14 eligible residents.

The houses are accessible and adaptive, designed for ease of movement, and features open kitchens, dining areas where family-style meals are served, a living room with a fireplace, and private bedrooms and baths. The Campus provides space for 154 individuals who require long-term skilled nursing care as well as rehabilitation services in a true home-like setting with routine activities and social interaction that decreases social isolation.

To be admitted to the OVHL, an applicant must be:

A veteran of the U.S. Armed Forces, as defined by the USDVA, discharged under general or honorable conditions; or

The spouse, or surviving spouse of a veteran as defined by the USDVA; or

Gold Star Parent (parent who lost a child to war-time service)

An applicant must also:

Be able to pay the resident's portion of the cost of care, if any

Be in need of skilled or intermediate nursing home care as determined by physician

Not require medical care for which the Home is not equipped or staffed to provide
