ROTC at OSU - a proud tradition

The May meeting is always the highlight of the year as the MOCC will once again be hosting future officers from the OSU ROTC and WOU units. We anticipate more than 50 ROTC students and spouses this year that we will need to host. We have already had a tremendous show of support from our members in getting initial confirmations to host cadets and midshipmen.

Susan Poole and Laura Garren are graciously hosting and will be working with the ROTC units to align the preferences of MOCC members with available students. This is an enjoyable event for all participants as we get to hear the career aspirations and plans of soon to be commissioned officers and they get to hear our sea stories.

Welcome our newest business sponsor/advertiser, RoxyAnn Winery. One of Southern Oregon's oldest orchards, Hillcrest Orchard has been directed by members of the Parsons family since 1908. Currently Hillcrest Orchard is over 200 acres in size. Jack Day, grandson of Reginald Parsons, saw the potential of grape growing on the historic Hillcrest Orchard. Armed with the vision of an artisan farmer and a Harvard MBA, he oversaw the construction of the winery and the planting of the original 20 acres. In 2001, the first harvest of grapes at RoxyAnn produced only 150 cases of "Claret" that was a blend of Cabernet Sauvignon and Merlot. Today, RoxyAnn Winery produces nearly 15,000 cases of award-winning Claret, Pinot Gris, Merlot, Cabernet Sauvignon, Cabernet Franc, Tempranillo, Syrah, and Viognier that possess beautiful color, complexity and depth of flavor.
